

## *Twisted: Tales to Rot Your Brain Vol. 1*

Written and illustrated by Nora Thompson

*Twisted: Tales to Rot Your Brain Vol. 1* collects 28 flash fiction stories in a book that targets anybody who giggles when a tale takes a surprising turn, from middle grade readers through their adult counterparts. The stories in the collection unfold using traditional text, illustrated text, text with illustrations, stand-alone illustrations and even a graphic novel.

And all of them lean toward the edge of the twisted. Told from unexpected perspectives. Not about what you thought they were. Head off in a direction you weren't counting on.

And here's hoping you never see it coming. Blindsided.

Time to giggle.
